## A note from your editor, Alexander Wiegman

Last month was very inactive. There were few meetings at the school and there were not enough service projects. I believe that as an organization, this pattern shows up every year after we go to Fall Rally. It never worried me in the past, but when I went to write this newsletter I noticed very quickly that the DCM and the Habitat for Humanity Project were the only things that occurred this last month. So, I guess I'm saying that I appreciate Kristy's, and also, Beyer's effort to create something for us to do this last month. Interesting after I just criticized Beyer in the last newsletter for having a better newsletter than my own. I guess I'll just put in a page of events that will be upcoming in this month, to the extent that my knowledge allows.

So, that was interesting... Oh yeah! The DCM is on our home turf this month. I believe I can get Mr. Manning to put it in the DCM in the cafeteria, and that is why I stated as such on the event I created on Facebook, <https://www.facebook.com/events/594615650604360/>. Well, let's all have a good month. Oh, hey! I'll actually get a newsletter published on time! Hooray!

I decided to include this for quick reference, *in every month's edition*. This is the KEY club pledge **here**:

"I pledge, on my honor, to uphold the Objects of Key Club International; to build my home, school and community; to serve my nation and God; and combat all forces which tend to undermine these institutions."

Anyway, hopefully everyone was happy with this first newsletter. However, if you just can't read anything on paper (I know some people have that problem), check out our website (which is always under construction) at: <https://sites.google.com/site/keyclubmohi/>

Is there anything you would like to see? Would you have rather had me write a few paragraphs on the weather? Do you think the weather is so wacky that we should make Mr. Vierra do a service project with us? (OK, let's do this the common way – "Any comments or questions?") Well, if you have any, feel free to contact me at [mhscnhkeyclub@gmail.com](mailto:mhscnhkeyclub@gmail.com)." Really. POINT TO CASE: READ THE NEWSLETTERS AND GIVE ME SOME NEW IDEAS! I WANT TO SEE ARTICLES IN THE DISTRICT NEWSLETTER SOON!

With a lot of love and sincerity to all who make my job useful,  
Alexander Wiegman

## Member of the Month – Person

This is not to be determined by myself anymore. I have decided that it should be in a separate publication, to allow for a poll on Facebook, or at least more decision from the rest of the officers and members;
