A note from your editor, Alexander Wiegman

Hey, it's your all-time star editor again! Aren't you getting to like me, or why is it that more Key Clubbers outside of MHS (but still in D46 North) know me? Well, anyway, if anyone has a story of a service event, however, that they did over the last month, I would be more than happy to do the appropriate grammar edits and editor does, and submit your story for you to www.cnhkeyclub.org. That reminds me... I need more photos guys!

Hey, wait I'm making changes across the board. Here's the docket guys:

- The club pledge is gone. You've learned it by now.
- This is finally the second newsletter. I like how nobody edited me for that.
- I have no photos, because Roleza, Celina, Kristy, Jan, Amir, and anyone else have not sent me any. Johansen actually posted one on 1st February, and those interested in seeing it may, [here](#).
- I have word that I'll have photos for next month. Thank you.

However, if you just can't read anything on paper (I know some people have that problem), check out our website (which is always under construction) at: <http://mhscnhkeyclub.wix.com/mohikeyclub>.

Aha, probably got you there! Did anyone notice that the website has changed? Yes, we've gone Wix, to the suggestion of many other KEY clubbers that have talked to me on the advantages of the web-host service. (I'm leaving this up for one more month.)

Is there anything you would like to see? Would you have rather had me write a few paragraphs on the weather? Do you think the drought is so sad that we should make Jan do a service project with us? Wait we got a division car wash coming up on a day with 30% chance of rain. (OK, let's do this the common way - "Any comments or questions?") Well, if you have any, feel free to contact me at mhscnhkeyclub@gmail.com." Really. POINT TO CASE: READ THE NEWSLETTERS AND GIVE ME SOME NEW IDEAS! I WANT TO SEE ARTICLES IN THE DISTRICT NEWSLETTER SOON! (Which reminds me, I hope our article last month makes it!)

With a lot of love and sincerity to all who make my job useful,
Alexander Wiegman
