

## THE PANTHER KEY CLUB DOCKET

UPDATED

April 2014

I would normally use a member of our club, but the look on Celina's face is just all so priceless. May there be enough tissues for everyone at the Banquet this month.

## A note from your editor, Alexander Wiegman

Hallo, this is your enthusiastic editor that is NOW HIRING! And I am happy to announce that the first person hired is ELLEN ZHENG!! Yes, we now have a PR official! If anyone has a story of a service event, however, that they did over the last month, I would be more than happy to do the appropriate grammar edits the editor does, and submit your story for you to [www.cnhkeyclub.org](http://www.cnhkeyclub.org).

Hey, wait I'm making changes across the board. Here's the docket:

- We got a new LTG, and he's from our school. Congratulations to Amir Patel, and hopes for a good new year in KEY club.
  - o On that note, happy new KEY club year, as this is now the official New Year, as of April 1<sup>st</sup>.

There are old events that are summarized, and there are also new and upcoming events in this newsletter. I am also looking for an official school photographer, Webmaster, and even a co-editor, so I can start training them towards next year. Many thanks to the new president Nicole for publicizing these things for me!

However, if you just can't read anything on paper (I know some people have that problem), check out our website (which is always under construction) at: <http://mhscnhkeyclub.wix.com/mohikeyclub>.

Is there anything you would like to see? Would you have rather had me write a few paragraphs on the weather? Do you think the drought is so sad that we should make Jan do a service project with us? Wait we got a division car wash coming up on a day with 30% chance of rain. (OK, let's do this the common way – "Any comments or questions?") Well, if you have any, feel free to contact me at [mhscnhkeyclub@gmail.com](mailto:mhscnhkeyclub@gmail.com)." Really. POINT TO CASE: READ THE NEWSLETTERS AND GIVE ME SOME NEW IDEAS! I WANT TO SEE ARTICLES IN THE DISTRICT NEWSLETTER SOON! Or, I don't know... maybe I'll just try to start writing the district newsletter? Just kidding.

With a lot of love and sincerity to all who make my job useful,  
Alexander Wiegman

  - Alex Wiegman asked if anyone was willing to work with him on the MoHi Key Club website

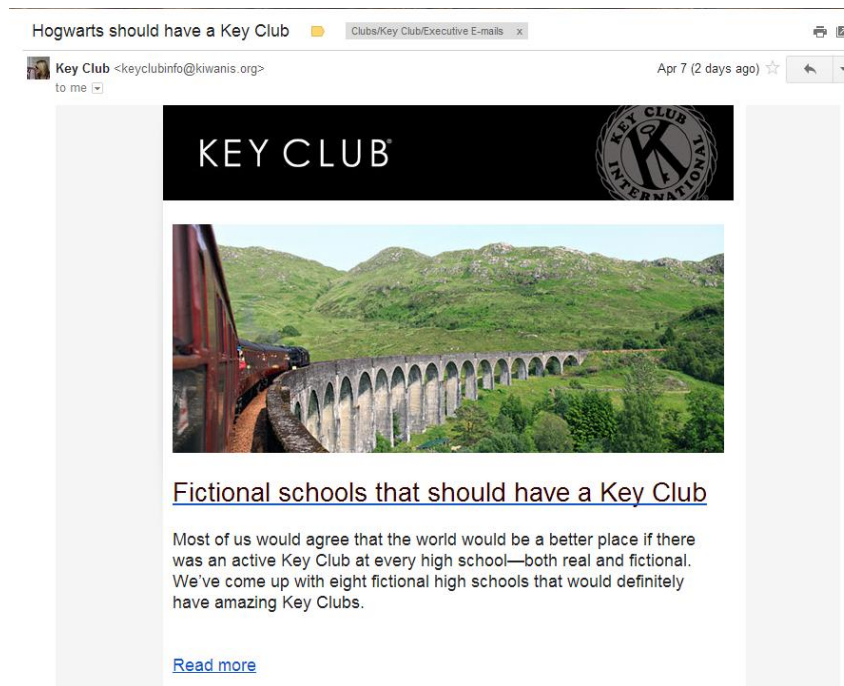

New section, you said? Well, I figured it was about time that I de-mystify what my sources for half of my stuff is – [cnhkeyclub.org](http://cnhkeyclub.org). This is the official website for the whole CNH District of KEY Club. As much as I have yet to get much anything of ours published, I have been able to discover a sort of cool couple of notes about the site.

For those going to district convention, there is a new code of conduct up on the CNH, at [here](#).

[Our website](#) is also being updated, and will be up-to-date by midnight on the 9<sup>th</sup> of April for this month.

It will have a couple of cool surprises on it, as I can code my own HTML on it now. (Thank you WIX for allowing creativity!)

I want to screenshot one other thing that I got in the e-mail from Key Club International the other day... I just thought it was so cool!

The link goes to [here](#). Until next month!
